Need additional administrative, bookkeeping and/or creative support?

Don't necessarily want to hire a full time, or even part time employee?

Beyond Admin may be a perfect match for you. We work from home as self-employed contractors so no need to worry about payroll, benefits and all the potential drama and extra costs of hiring an employee.

Who does Beyond Admin work with? Entrepreneurs, Business Owners and busy people in general.

We can work on one-off projects when needed, or continuous tasks.

Our rates are reasonable and we offer discounts for multiple hours and on-going work.
